PRIVATE AND PEACEFUL RETREAT

The Jasmine maximises space masterfully to create an impressive family retreat. Offering a choice of distinct family, meals and living areas, there is plenty of room for the whole family to spread out in this open plan residence.

The three bedroom plus study design effectively separates living from sleeping quarters and provides the option of converting the living area into a rumpus for the children. The master bedroom with luxurious walk-in robe is conveniently set away from the other bedrooms for added peace and privacy.

The Jasmine – perfect for a narrow block, but with all the benefits of casual open plan living.
