## EASY ENTERTAINER

Cleverly created to maximise internal functionality, the Maddelena is a home that draws on the designer's love of entertaining.

An uninterrupted living space incorporates a sprawling kitchen, family and meals zone while the separate living area provides a space for the kids to chill out. It's all on one level to create an even more laid-back lifestyle.

Easily adapting to a narrow or corner block, the dramatic façade boasts strong vertical lines through feature peering and tall windows to capture plentiful, natural light. The Maddelena is an abode with loads of personality and one that you'll definitely love coming home to.
