IMPRESSIVELY BOLD

Suited for wider blocks, the Panorama is an impressive three storey home featuring our innovative Roof Terrace™ to make the most of Queensland's tropical climate.

The perfect home for year-round entertaining, this design features an open plan family, meals and kitchen area that flows on to an alfresco area via concealed stacked doors, blurring the lines between indoors and out.

The master bedroom in the Panorama feels luxurious and spacious. Over five metres wide it includes a roomy walk-in robe along with a private adjoining ensuite. The large bedrooms, each complete with a walk-in wardrobe, are serviced by a lounge area and superbly functional main bathroom with separate vanity and washcloth for practical living.
