## COASTAL ELEGANCE

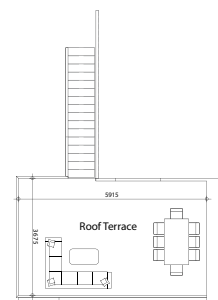

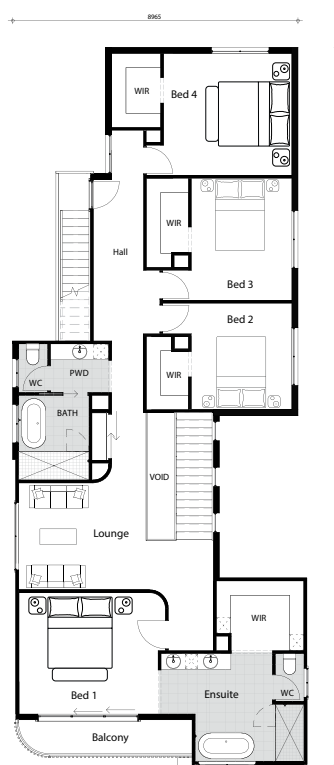

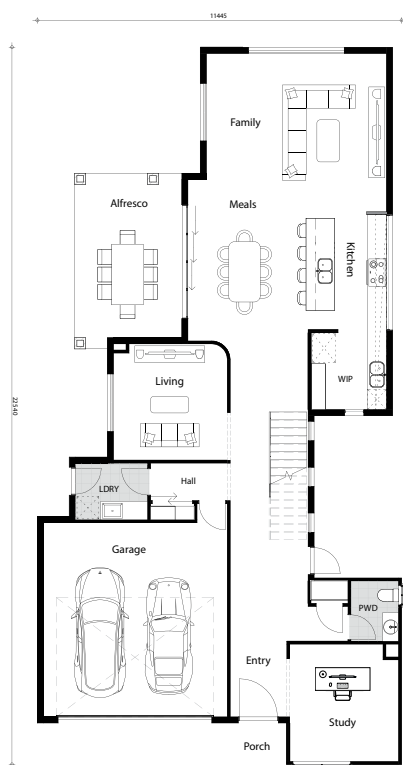

Smooth curves, luxe materials and dreamy shades combine to create a retreat-worthy coastal home in the Stradbroke design.

A stunning open void and timber mono stringer staircase bathe this home in natural light. The on-trend curved lines throughout the open plan kitchen and living spaces exude warmth and calming vibes and flow breezily throughout the home.

Showcasing the spectacular sea views is the exclusive Ownit Homes Roof Terrace™, a versatile third floor outdoor entertainment area.

With space for the whole family, this home delivers the relaxed holiday atmosphere that is perfectly suited to our Queensland climate and laidback lifestyle.
