MODERN, CLEVER DESIGN

Classic and timeless, the family-inspired Aspire is expertly designed to offer maximum living space on one level.

Multiple cosy living areas, complete with a media room and office space for home working, create a comfortable abode for the whole family. Tucked away from the entertaining zone, a private sleeping quarter at the back of the home offers a serene and peaceful retreat.

The open plan kitchen, meals and family living spaces have direct access to the outdoor alfresco area, perfect for entertaining or relaxing with family and friends in your own private oasis.
